

Wipaire Safety Seminar

A series of seminars will cover seaplane egress and ditching, basic procedures that pilots overlook and considerations for safe seaplane operations. All general aviation will be included.

Directions: Take the main airport entrance off Hwy 441 which is Echo Drive, follow Echo to the Wipaire hangar. Park in the lot next to the hangar

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
